STARTCUP TORINO PIEMONTE 2016

PNI- ITALIAN INNOVATION AWARD 2016

Business Incubator and Technology Transfer Università degli Studi di Torino

he master BioCirce received on 12th February at the Parliament, from the President of the Italian Republic, the Italiadecide (Italy decides) prize for teaching innovation.

BioCirce is the first European Master in Bioeconomy in the Circular economy.

The price has been awarded to the initiative of four Italian universities from North to South (University of Turin, University of Milan Bicocca, University of Bologna and University of Naples Federico II), with the support of three of the main Italian bioeconomy players (Novamont, GFBiochemicals and Science Park of Lodi) and the Italian leading banking Group Intesa Sanpaolo, which is the only financial global partner of the Ellen McArthur Foundation.
